He's a great leader on complex cases who is always calm and measured.

- Chambers & Partners

Nicholas Davidson QC is a commercial litigator, mediator and arbitrator who has been described in the Legal 500 as being "an exceptional silk" (2019) with "a charming manner, which puts clients at ease" (2016) and by Chambers & Partners (2019) as someone who "produces masterpieces. The work, the detail, the focus that goes into it - it is outstanding; it blows me away." "You want him on your side and not on the other side."

Also as "one of the leading trial lawyers of his generation with excellent client skills" (2015), displaying "mastery of the law and practice of insurance" (2011); and in Chambers and Partners as "a great leader" (2017) "extremely competent, user-friendly and authoritative" (2016) and "a must-have barrister who is mustard when it comes to identifying the salient points" (2010) and a "master cross-examiner" (2011) and "a sensational cross-examiner and advocate" (2013). He is equally at home in trial work and in appellate work at all levels ("listened to" was another).

Always aiming to maintain a wide breadth of knowledge of the law and commercial awareness, he is committed both to understanding his clients' angles on their cases and to readiness to search for new angles. Despite having conducted many large cases for the defence, he does much claimant work. He is particularly interested in claims about investment advice and management.

Other directory (and in one case *The Lawyer*) comments in his time in Silk have been:

"A "fantastic" litigator and arbitrator, particularly noted for his skills in cross-examination and advocacy."

"Nicholas Davidson QC is "clearly one of the top guys at the Bar" and is held in the highest regard. Junior lawyers often turn to him for advice and he "rather generously and happily imparts his knowledge to them."

Areas of Expertise

Commercial Dispute Resolution

As someone interested in and aiming to maintain high awareness of economics and finance Nicholas has a keen interest in commercial matters. He is involved not only in pure financial or interpretation litigation (a case of particular satisfaction to him was *AIB Group (UK) plc v. Martin and Gold* [2001] UKHL 63) but also in very tough business disputes. In *Ross River Ltd v Cambridge City Football Club* [2007] EWHC 2115 Ch he acted for the Club in establishing that a transaction in relation to its ground had been affected by bribery and fraudulent misrepresentation. He acted for Newcastle Airport in a high profile claim (settled the day before trial) against its former Chief Executive and the Estate of its Finance Director seeking to recoup in respect of multi-million bonuses which had become payable on a refinancing.
