

The Women in Law pledge – Barristers/Chambers

This pledge is a commitment to work together to harness the power of gender equality to transform the business of law.

My organisation pledges to promote gender equality by:

2. Setting specific gender targets at leadership level and at other levels as appropriate;
3. Considering the differential outcomes for different groups of women at all levels of the organisation e.g. their background, identity and range of experiences;
4. Developing an action plan to achieve gender equality in our senior management and leadership teams;
5. Committing at senior level to tackle sex discrimination, bullying and sexual harassment in the workplace;
6. Committing to tackle workplace culture and bias that may result in differential outcomes in the workplace;
7. Making public our pledge and publishing our targets and action plan;
